J.C.A.P. Product Promotion Video (Short ver.)

Thank you for your tremendous support throughout last year! We, the J.C.A.P team, are continually striving to enhance our promotional activities and plans to increase brand awareness in 2025.

Based on customer feedback requesting a short promotional video to better capture attention in shops, garages and offices, we are currently preparing a new JCAP product video tailored for the need. It is expected to be available within this month. Please feel free to reach out to your local contact if you're interested in playing the new video at your location!"
